LARIMAR SPA AT RADISSON ARUBA RESORT, CASINO & SPA
FACT SHEET

OVERVIEW:

The \$5.2 million, oceanfront Larimar Spa at Radisson Aruba Resort, Casino & Spa is a sanctuary for balancing the body, mind and soul. Measuring 13,000 square feet and offering a full-service salon and state-of-the-art, oceanfront fitness center, Larimar Spa is the most comprehensive spa facility on the island.

WHY LARIMAR?

Larimar Spa's intrinsic beauty reminds guests of cool sea waters and warm sunny breezes for which the island is known. Featured throughout the spa and treatments are Larimar stones – aqua-colored stones indigenous to the Caribbean, whose color represents different aspects of healing.

DESIGN OVERVIEW:

Designed by Miami-based Spillis Candela, Larimar Spa is a stand-alone structure, contemporary in design and featuring radical breakout areas that include a central courtyard and private terraces. Earth tones are used throughout including natural green, tan and off-white hues for the interiors and orange, brown and blue for the exterior.

THE EXPERIENCE:

As guests reach the entrance to the Larimar Spa and pass through the quietness of the Zen-inspired garden they realize immediate tranquility awaits.

Spa-goers are greeted with the warmth of an Aruban smile and either a glass of sparkling champagne or the gold medal awarded local AWA water. The transformation continues with an escorted stroll through the bamboo-lined walkway leading to the open air Asian-style relaxation huts. As guests await their treatment, locally gathered Black Beach stones submerged in reflecting ponds calm their minds prior to treatment.

The journey leads into the locker areas where the pre-treatment relaxation process continues. Organic teas, fresh fruits or a cooling glass of citrus-infused AWA is the perfect complement to that well-deserved eucalyptus steam and refreshing cold plunge experience. The body and spirit are now in the perfect place to be spoiled by one of 40+ treatments.

SERVICES:

Larimar Spa offers a full menu of services, including advanced skin care therapies, integrative massages, bathing therapies, exfoliating, nourishing and detoxifying body treatments including body polishes and wraps, a full-service salon and a state-of-the-art Fitness Center.
